Brian Simmons, CFP®
Senior Vice President / Trust Officer
Premier Trust

Brian has over ten years of experience in financial services and estate planning. He currently manages the Asset Protection Trust department at Premier Trust. His specialties include educating clients and professionals about asset protection trust strategies and administering asset protection trusts, Nevada dynasty trusts and NINGs. Before joining Premier Trust he was an independent financial advisor and life insurance agent.

Brian is a member and former officer of the Southern Nevada Estate Planning Council. He obtained a B.S. in Microbiology and a Master's degree in Management from the University of Florida. His professional accreditations include Series 7, 66, and 24 securities licenses, and he also holds the CFP® designation.
